DARYL A. KATZ

Born and raised in Edmonton, Daryl Katz grew up a passionate Oilers fan. He has a deep connection with the team's rich history and is focused on creating the foundation for a winning tradition and bringing the Stanley Cup back to the City of Champions.

Daryl has given his enthusiastic support to Oilers' G.M. Craig MacTavish's strategy, including the addition of Dallas Eakins as Coach and changes throughout the Oilers' scouting and hockey ops ranks, and is thrilled to see the team coalescing around a new generation of leaders, including such dynamic young talents as Jordan Eberle, Taylor Hall, Ryan Nugent Hopkins, Justin Schultz, and Nail Yakupov. He is excited by the team's recent additions and believes the Oilers are poised to take the next step forward in the current season.

Away from the ice, Daryl has committed significant time, energy and capital working with the City of Edmonton on a vision for the Edmonton Arena District. This transformative project envisions the redevelopment of acres of surface parking lots in the heart of our downtown into a vibrant, walkable and sustainable sports and entertainment district. The new arena "Rogers Place" will drive the revitalization of our urban core, enhance the city's global competitiveness and provide for the long term sustainability of the Oilers in Edmonton. The vision for the District includes Rogers Place, which will be home to the Oilers, provide world class amenities and unrivaled fan experiences.

Daryl graduated from the University of Alberta's Faculty of Law in 1985. In 1990, he founded the Katz Group, which is now one of Canada's largest privately owned companies, with more than 8,600 employees.

In October 2007, Mr. Katz was named a member of the Alberta Investment Management Corporation's inaugural board of directors. AIMCO is one of the largest and most sophisticated investment managers in the country, with more than $70 billion in assets held in a number of funds invested globally.

With a wide range of charitable activities, Mr. Katz is recognized as a leading philanthropist in Edmonton and beyond. In 2003, he was appointed to the Premier's Council of Alberta's Promise, an organization dedicated to improving the lives of Alberta's children and youth. He is also a member of the Canadian Council of Chief Executives and was Co-Chair of the University of Alberta's "Campaign 2008" – the largest fund raising campaign in the university's history.

Daryl has great passion for his home town and its beloved Oilers, and great determination to contribute to the greater success of both.

KEVIN LOWE

After serving as General Manager of the Edmonton Oilers for eight seasons, Kevin Lowe was promoted to the position of President of Hockey Operations on July 31, 2008. Lowe's promotion was part of a restructuring of the team's Hockey Operations department by Daryl A. Katz, the organization's owner.

Lowe has been instrumental in the renewed success of the team both on and off the ice and will continue to work towards the continued success of the franchise in his new role. In recent years, Lowe has been assisting the strategic rebuild of one of the outstanding franchises in the League and was an integral part of the management and scouting team that selected Taylor Hall with Edmonton's first ever number one overall draft pick in 2010, as well as Ryan Nugent-Hopkins in 2011 and Nail Yakupov in 2012.

A new era in Oilers' history was ushered in when Lowe was named to the position of General Manager on June 9, 2000. With the announcement, the first-ever draft pick in Oilers' history replaced Glen Sather, who held the position since June of 1979. Lowe's appointment came a year after he was named Head Coach of the Oilers on June 18, 1999. Over those years the team's payroll was annually near the bottom of the league however the team was a league leader in dollars spent for points earned in standings including many playoff appearances. As GM, he became one of only 40 general managers in the history of the NHL to get his team to the Stanley Cup finals in 2006, losing in game seven to the Carolina Hurricanes.

It took the popular Lowe only three seasons from his retirement from the game as a player to make his way to the position of General Manager. After a brilliant playing career in the National Hockey League with the Edmonton Oilers and New York Rangers, Lowe announced his retirement from the game on July 30, 1998 and joined the coaching ranks as he served as an assistant coach with Ron Low's Edmonton staff in 1998-99.

The 1999-00 season saw Lowe become the seventh head coach in Oilers history. In his lone season behind the Edmonton bench, Lowe guided the Oilers to a second place finish in the Northwest Division with a 32-26-16-8 record, only eight points behind the first place Colorado Avalanche, and a berth in the Stanley Cup Playoffs.

Lowe's expertise has also translated into success for Team Canada on the international stage. On November 8, 2000, Lowe was named as Assistant Executive Director of Canada Olympic Hockey for the 2002 Winter Olympic Games in Salt Lake City, Utah. Working with former teammate Wayne Gretzky, Team Canada's Executive Director, head coach Pat Quinn and Director of Player Personnel, Steve Tambellini, Lowe helped put together a team of NHL players that won the Olympic gold medal for Canada for the first time in 50 years. A 5-2 victory over the United States in the gold medal final on February 24, 2002 saw Team Canada become the first Canadian squad to win Olympic gold since the Edmonton Waterloo Mercurys won at Oslo,

Norway in 1952. He reprised that role with Team Canada at the 2006 Winter Olympics in Turin, Italy and was a member of Team Canada's management team that put together the gold medal winning roster at the 2004 World Cup of Hockey. Lowe, along with Doug Armstrong and Ken Holland, assisted General Manager Steve Yzerman to help guide Canada's Olympic Team to another historic gold medal victory in the 2010 Vancouver Olympics. Lowe will once again represent his country as a part of Team Canada's management team at the 2014 Sochi Winter Olympics.

Lowe was the Oilers' first-ever draft pick when he was selected 21st overall in the 1979 NHL Amateur Draft on August 9, 1979. During 19 seasons in the NHL, including 15 as an Oiler, Lowe played in 1,254 regular season games and 214 playoff games, winning six Stanley Cup championships. The first five Cup championships came with Edmonton as he was a member of each of the Oilers' titles in 1984, 1985, 1987, 1988 and 1990 and was followed by a sixth with the New York Rangers in 1994. In his 15 seasons with Edmonton, the Oilers never failed to qualify for the Stanley Cup Playoffs with Lowe in the lineup. In fact, Lowe only missed post-season play once in his 19-year career as New York missed the 1992-93 playoffs during his first season in Manhattan.

Besides being the first draft choice in Oilers' history, Lowe also scored the first goal in team history as he beat Tony Esposito at 9:49 of the first period in Edmonton's first NHL game on October 10, 1979 at Chicago Stadium. The goal launched a career that saw him play for 19 seasons without spending a day in the minors. That goal was also assisted by Wayne Gretzky, marking the "Great One's" first ever point in the NHL.

Lowe holds the Oilers' record for most games played in both the regular season (1,037) and playoffs (172) and is one of only 45 players in NHL history to have played in 1,000 games with one franchise. He also ranks among Edmonton's all-time leaders as he is eighth in assists (309), 11th in points (383) and third in penalty minutes (1,236).

He became the sixth captain in Oilers' history in 1990-91, fulfilling the promise of his junior career that saw him named the only Anglo-Canadian captain of the Quebec Remparts.

On the international stage he represented Canada at the 1982 World Championships and was a member of Team Canada that won the 1984 Canada Cup. He also played in seven NHL All-Star Games (1984-86, 1988-90, 1993).

Off the ice, he was no less a leader. In 1990, Lowe became the only player to win the King Clancy Memorial Trophy and the Budweiser/NHL Man of the Year Award in the same season. Both awards are presented for leadership qualities and humanitarian contributions. He was also the Oilers' nominee for the Bill Masterton Memorial Trophy that season. His work with the Edmonton Christmas Bureau has set the standard for the Oilers' commitment to community involvement. He was the Honorary Chair from 1982-83 to 1991-92 and Honorary Co-Chair from 2005 to present.

Lowe, has a son, Shane, and he and his wife Karen, a two-time Olympic alpine skiing bronze medal winner for Canada at the 1988 Winter Olympics in Calgary, have three daughters - Devyn, Darby and Karly - and a son, Keegan, who was drafted by the Carolina Hurricanes in the 3rd round, 73rd overall, at the 2011 NHL Entry Draft. Both Kevin and Karen are Honorary Spokespeople for the Zebra Society.

BOB NICHOLSON

On June 13, 2014, the Katz Group announced the hiring of Bob Nicholson as Vice-Chairman of the Oilers Entertainment Group (OEG), a new sports and entertainment company that will manage the Katz Group's growing family of sports and entertainment assets, and operate Rogers Place, the new home of the Edmonton Oilers.

In his role as Vice-Chairman, Nicholson will work closely with Daryl Katz, Kevin Lowe and Patrick LaForge to expand the group's sports and entertainment offerings, deliver outstanding fan experiences, secure major new sponsorships and events, and operate Rogers Place. Currently under construction, Rogers Place will be North America's leading sports and entertainment venue when it opens its doors in September 2016. Mr. Nicholson will also serve as an Alternate Governor for the Edmonton Oilers on the NHL Board of Governors.

Bob Nicholson joins the Oilers after a long tenure with Hockey Canada, serving as the President and CEO from 1988-2014, where he oversaw all operations for competitions Canada participated in internationally, including in the IIHF World Hockey Championships and Olympic Winter Games and has overseen Canada winning 72 medals in international competition since 1990, 44 of which were gold, including seven Olympic gold medals.

Nicholson also served as the Senior Vice-President of the Canadian Hockey Association from 1992 to 1998 and Vice-President of programs with the Canadian Amateur Hockey Association from 1990 to 1991. He has been heavily involved with International hockey, serving on the International Ice Hockey Federation's coaching committee and currently holds the position as the Vice President of the International Ice Hockey Federation which he was elected to in September 2012.

Before joining the national body, Nicholson was Technical Director with the British Columbia Amateur Hockey Association from 1979 to 1989. He was inducted into the B.C. Hockey Hall of Fame in 2004. He played minor hockey and Junior A hockey in Penticton, helping the Penticton Broncos win the BCJHL and B.C.-Alberta championships, as well as played NCAA hockey at Providence College in Rhode Island.

PATRICK LAFORGE

The Edmonton Oilers Hockey Club has carved out a remarkable reputation in the National Hockey League. Our achievements include five Stanley Cups, seven players in the Hockey Hall of Fame and inspiring leadership which to this day regularly leads the NHL into daring new ventures.

That leadership, in a large part, stems from Patrick LaForge. Founded on his prior experience with leading sports and entertainment organizations in hockey, ski racing, auto racing, horse racing and professional rodeo, Patrick has delivered significant highlights since joining the Oilers in 2000.

He created the concept and was the driving force behind The Heritage Classic, the first regular season outdoor NHL game, played November 22, 2003. More than 57,000 hockey fans braved bone-chilling temperatures to watch the Oilers play the Montreal Canadiens in Commonwealth Stadium. That one event became the template for the Winter Classic, now a marquee event in the NHL schedule.

Patrick guided the creation of the Edmonton Oilers Community Foundation, which has gifted more than $25 million to charities across Oil Country since 2001. He secured the return of one of the most storied franchises in Canadian junior hockey, bringing the Oil Kings back to Edmonton. In 2012, he was proud to participate in the hosting of the World Junior Hockey Championships. Away from the rink, he oversaw a more recent addition to the portfolio: Aquila Productions, Canada's leading full service, multi-media production company, which is currently most famous for producing Oil Change, the real life docudrama of life inside the Edmonton Oilers.

As the NHL lock-out was wrapping up it was Patrick's idea to have the Oilers play shinny outdoors on the pond in Hawrelak Park, a return to the origins of the game and a delightful treat for Oilers faithful after months without their Oilers.

Patrick is responsible for strategically growing the sports and entertainment portfolio of Oilers Entertainment Group, while overseeing relations with fans, customers and commercial partners, and the remarkable growth of the brand has resulted in 343 consecutive Oilers sellouts at the 2013-14 NHL season end. Patrick's responsibilities are shifting dramatically to include leadership of day-to-day operations of Rogers Place, Edmonton's new iconic downtown arena, which will open its doors to the world in 2016.

LaForge's life away from the office includes being an Alternate Governor of the NHL and a Governor of the WHL. Patrick is a Past Chair of the Edmonton Chamber of Commerce and he was chosen as a Top 50 Most Influential Person in Alberta by Alberta Venture Magazine and recipient of the Consumer Choice Award as Edmonton Business Person of the year, both in 2008. He was named a Paul Harris Fellow by Rotary International in 2013 and he was selected as a Globe and Mail Top 25 Sports Leader in Canada in 2002 and 2003.

Patrick was born in Lac la Biche and raised in Edmonton. Prior to joining the Oilers, he held two Vice President positions with Molson Coors Breweries and was President and CEO of Alpine Canada, as well as serving on the Executive Board of the Canadian Olympic Committee.

He graduated from the Northern Alberta Institute of Technology and completed the Executive Management Program at the University of Michigan.

CRAIG MACTAVISH

Craig MacTavish enters his second full season as the Edmonton Oilers General Manager, being named the club's General Manager on April 15, 2013, after serving Senior Vice-President of Hockey Operations in 2012-13. He will work closely with President, Kevin Lowe, Senior Vice-President of Hockey Operations, Scott Howson and Assistant General Manager, Bill Scott on the daily management operations of the Edmonton Oilers.

MacTavish, 56, was the Head Coach of the Chicago Wolves of the American Hockey League in 2011-12, prior to joining the Edmonton Oilers, leading the Vancouver Canucks' AHL affiliate to a 42-27-7 record, third best in the conference.

Named the eighth coach in Oilers history on June 22, 2000, MacTavish compiled a career record of 301-252-103 (.537) in 656 regular season games over the course of eight seasons (2000-01 to 2008-09). MacTavish became the 36th coach in NHL history to win 300-or-more games with a 5-3 win vs. the Vancouver Canucks on April 4th at Rexall Place.

He completed his coaching tenure behind the Oilers bench after the 2008-09 season, ranking second among Edmonton coaches in games coached, wins, losses, ties/overtime losses and winning percentage and ranked 36th all-time in NHL history in wins and 41st in games coached.

The former Oilers' captain has a 17-13 (.567) record in the Stanley Cup Playoffs and became the third coach to lead the Oilers to the Stanley Cup Final.

In 2005-06 MacTavish guided the Oilers to their first trip to the Stanley Cup Final since 1990, as Edmonton fell in seven games to the Carolina Hurricanes. After finishing the regular season in 8th place in the NHL's Western Conference standings with a 41-28-13 record, MacTavish led the Oilers to within a game of their sixth Stanley Cup. In the post-season the Oilers went 15-9 and defeated the President Trophy winning Detroit Red Wings, the San Jose Sharks and the Mighty Ducks of Anaheim on their way to winning the Clarence S. Campbell Bowl as Western Conference champions.

After departing the Oilers organization following the 2008-09 season, MacTavish earned a master's degree in business from Queen's University and spent two years as an analyst for the NHL on TSN.

SCOTT HOWSON

Scott Howson is in his second season as Senior Vice President of Hockey Operations with the Edmonton Oilers, after rejoining the organization in 2013. In his role, Scott's responsibilities include assisting President, Kevin Lowe and General Manager, Craig MacTavish on all duties related to the daily operations of the club as well as help oversee scouting and development of their minor league affiliates.

The Toronto, Ontario native was the Oilers Assistant to the General Manager in 2000 and served as the club's Assistant General Manager from 2001-2007, working beside General Manager Kevin Lowe in overseeing the Oilers' hockey operations.

In 2008, Howson was hired as the General Managers of the the Columbus Blue Jackets, in his time with Columbus he compiled a 173-190-59 record and advanced to the Stanley Cup Playoffs for the first time in franchise history in 2008-09, losing in the Conference Quarterfinals to the Detroit Red Wings.

Prior to his arrival in Edmonton, Howson spent six years with the Oilers' American Hockey League affiliates. As General Manager of the Cape Breton Oilers from 1994-96, he oversaw the franchise's move to Hamilton in 1996 and was the Bulldogs' General Manager from 1996-2001.

Howson had a stellar junior hockey career, playing three seasons with the Kingston Canadians (OHA/OHL), compiling 302 points (122G, 180A) in 197 career games, including a 140 point season (57G, 83A) in 1980-81.

DRESSING ROOM ATTENDANT

Although he works behind the scenes with the Edmonton Oilers training staff, Joey Moss is one of the organization's most well-known and beloved members.

Brought to the attention of the Oilers by Wayne Gretzky, Joey has endeared himself to the players, coaches, staff and fans of the Oilers since he began working in the team's dressing room in 1984-85. Joey, born with Down 's syndrome, can be seen helping the other members of the Oilers training staff on a daily basis from the start of training camp until the final whistle each spring. Among his many duties, Joey looks after the cleaning of the dressing room, team laundry, the handling of towels and water for games and practices and the distribution of equipment.

Joey is an integral part of the Oilers and has been with them through four of their five Stanley Cup championship seasons. During games, Joey can be found in his customary seat behind the Oilers' bench, where he belts out the loudest version of "O Canada" prior to every home game.

Each season, the Oilers conclude their training camp with the presentation of the Joey Moss Cup to the winners of the annual intra-squad tournament. The tournament began over a decade ago as an evaluation tool for the coaching staff, and has evolved into a charitable fundraising event for various programs throughout Oil Country.

Prior to the 2003 NHL All-Star Game in Florida, Joey was presented the NHL Alumni Association's "Seventh Man Award" by Gretzky. The award is presented by the NHL Alumni Association to NHL members "whose behind-the-scene efforts make a difference in the lives of others."

On May 17, 2007, Joey accepted the Mayor's Award from City of Edmonton mayor, Stephen Mandel, in recognition of the Oilers commitment to persons with disabilities.

Outside the dressing room, Joey has lent his name and support to "Joey's Home", an assisted-living home for individuals with developmental disabilities overseen by the Winnifred Stewart Association.

Joey's talents are not confined to just the hockey rink, as he has served with the Edmonton Eskimos training staff during the summers since the 1986 Canadian Football League season.

SOME OF THE FOUNDATION'S PROGRAMS INCLUDE:

INNER CITY HIGH SCHOOL

When the Edmonton Oilers Community Foundation partnered with Edmonton's Inner City High School six years ago, it was the start of a journey to realize a dream. In spite of the poverty, desperation and dependence that often dominates their lives, high risk youth in Edmonton's inner city now have encouraging teachers and a supportive place to achieve their high school education. Accredited by Alberta Education, Inner City High School offers youth an academic and arts-based focus, and an alternative route to achieving a high school diploma. Each year, everyone celebrates successful graduates and the Foundation awards scholarships to students who wish pursue post-secondary education. Inner City High provides a safe and inspiring place with a strong sense of community, one that goes beyond basic education.

ABBOTTSFIELD RECREATION CENTRE

In April 2013, the Edmonton Oilers Community Foundation announced their next legacy project – the redevelopment of the Abbottsfield Recreation Centre in North Edmonton. The City of Edmonton recognized a need to revitalize the area, starting with the hub of the community. A partnership between the Edmonton Oilers Community Foundation and the Abbottsfield Recreation Centre Society will see the Foundation provide funding to support programs, operations and the purchase of furniture, fixtures and equipment for the new facility.

50/50 PROGRAM

The Edmonton Oilers Community Foundation proudly supports registered charitable organizations and minor hockey and ringette association in Northern Alberta through 50/50 draws that take place during all Oilers home games. Tickets are $5 each, 3 for $10 or 10 for $20 and can be purchased until the middle of the second intermission. One lucky winner takes home 50% of the pot while the remaining proceeds are shared by the participating organization and the Edmonton Oilers Community Foundation.

SEATS FOR KIDS PRESENTED BY STANTEC

Through the generosity of individuals and businesses across Oil Country, the Edmonton Oilers Community Foundation's Seats for Kids, presented by Stantec, program provides unused game tickets to registered charities that provide child and family services in the Edmonton area. These tickets allow many children to experience hockey at Rexall Place and, for many, a once in a lifetime opportunity. Oilers ticket holders can donate their unused tickets to the Foundation in return for a charitable tax receipt.

COMMUNITY CORNER

The Edmonton Oilers Community Foundation hosts a silent auction at every Oilers home game which provide fans with an exciting opportunity to bid on sports memorabilia and collectibles while supporting their community. Fans can view items and place their bids until the end of the second intermission at three Community Corner locations. Funds raised through this initiative continue to support various Foundation activities.

ONLINE AUCTIONS

In addition to in-game fundraising initiatives, the Edmonton Oilers Community Foundation continues to host several online auctions through the season. These events feature one-of-a-kind souvenirs, collectibles and game-worn items not available anywhere else.

HOCKEY TALKS

The Edmonton Oilers, in partnership with the other six Canadian NHL teams and the NHL, participate in Hockey Talks, a month-long initiative to increase dialogue and awareness about mental health and effective treatments. During the month of February, a game night in each respective city will be dedicated to Hockey Talks to help encourage a national conversation about mental health and wellness.

ICE SCHOOL

In 2003, the EOCF introduced ICE School (In Class Education) or as students call it, Incredibly Cool Education! ICE School is one of Edmonton Public School's inquiring mind sites which allow students to bring real world understanding to what they study during the school year. ICE school brings students to Rexall Place to engage in learner-led, hand-on, inquiry based learnings. Students have the opportunity to participate in a week of reading, writing, observing, interviewing and calculating in the ICE School classroom, Rexall Place and other fascinating places around Northlands Park.

EPCOR SHARE A BOOK

Books ignite a love reading that can last a lifetime and are essential to lifelong development, yet many children from low-income families have no books, or very few, to call their own.

The EPCOR Share a Book program provides new books and book bags to Grade 1 students across Northern Alberta and ensures the joy of reading is not limited by financial means. Since the program began, more than 14,000 books have been distributed to over 7,000 students.

SCHOLARSHIPS

The Edmonton Oilers Community Foundation is committed to higher education and since 2001, has provided over $370,000 in post-secondary scholarships through the University of Alberta, NAIT, Athabasca University, MacEwan University, Norquest College and Inner City High School.

OUTDOOR RINK PROJECTS

In partnership with the Hockey Canada Foundation, the Edmonton Oilers Community Foundation refurbished two outdoor rinks this past year in the Beacon Heights and Beverly Heights communities. Complete with new boards, gates, lights, nets, players' benches, penalty boxes and fencing, there's plenty of room for shinny, organized hockey and skating and the rinks serve as an important space for the communities to come together.

NORQUEST HOSPITALITY INSTITUTE

In the fall of 2014, the Edmonton Oilers Community Foundation announced a long-term partnership with Norquest College to fund a brand-new Hospitality Institute at the school. The Institute will provide education to students looking to gain applicable skills for a wide variety of hospitality careers.

Thank you!

With the help of our players, coaches, Oilers Ladies, staff and our dedicated fans, we look forward to continuing to change lives in Oil Country.

Each and every season the Edmonton Oilers make a commitment to being a strong community partner. Through this commitment, the organization, players and staff, participate in a number of different events, charitable fundraisers and community programs. Below is a sampling of the Edmonton Oilers community initiatives. For a more complete list, please visit edmontonoilers.com.

MOLSON CUP

One constant during the Oilers tenure in the NHL has been the Molson Cup. The Molson Cup has played an important role in the history of the Edmonton Oilers over the years since the team joined the NHL in 1979-80. It has been a part of some of the most outstanding achievements in NHL history, including five Stanley Cup championships and the Heritage Classic.

One of the most successful programs ever launched in connection with the National Hockey League, the Molson Cup has become synonymous with excellence, as it is awarded to the player who accumulates the most votes in the three-star voting process over the course of the NHL regular season schedule.

Six times throughout the NHL season, a member of the Edmonton Oilers is selected as the Molson Cup Player of the Month. The Molson Cup is based on the selection of the top three performers of each game as nominated by the Edmonton sports media. Players earn five points each time they are selected one of the game's three stars and the player accumulating the most points at the conclusion of the regular season has his name engraved on the beautiful Molson Cup.

FOR YOUR INFORMATION

Accreditation

All media and photographers' passes issued by the Edmonton Oilers are valid only for the date(s) noted and are non-transferable. Passes may not be used to gain access to Rexall Place or practice facilities for the purpose of obtaining autographs or memorabilia from members of the Edmonton Oilers Hockey Club. The Edmonton Oilers reserve the right to revoke passes at any time. ALL PASSES MUST BE VISIBLE AT ALL TIMES.

The Bill Tuele Press Box at Rexall Place is divided into four working areas. On the west side, you will find the general media area for all newspaper reporters and electronic journalists not involved in play-by-play. Most seats are specifically allocated with appropriate signage, but if there is any confusion, please direct any queries to the Edmonton Oilers communications staff at position one. The east side of the press box is divided into ten separate booths, in which you will find on-air radio and television broadcasts, home and visiting team officials and a video tape crew. The north side and south ends, which do not have working benches, are designed for overflow media as well as reporters who do not cover the NHL full-time.

To gain access to the press box, there are four entrance stairways, any one of which will lead you to the area in which your seat is located, however, it should be pointed out that unless you have an Edmonton Oilers press pass, you will not be able to enter the main working areas. Single game passes may be obtained by contacting the Edmonton Oilers communications staff at least one day prior to the game.

All media should enter Rexall Place through the Oilers Game Day Pass Gate, located on the north side of the building.

Photographers

Photography passes are issued by Andy Devlin, Edmonton Oilers Team Photographer (lamedia@telus.net) and those accredited as photo journalists are asked to report to the media lounge at least one hour before the game for individual seat allocation. Andy Devlin will have the final say in terms of seat allocation.

Communications

Telephones are provided in the press box and media work room. All calls must be billed to your credit card or charges must be reversed. Wireless internet access is available in both the press box and media work room.

Media Services

The media lounge will be open an hour and a half before each game. It will be closed during and after the game. Game notes, programs and lineups will be available in the lounge. Hot coffee, soft drinks and ice water are offered in the press box during the game.

A press box announcing service is in effect throughout the game.

Closed circuit television monitors are located for your convenience on the west side of the press box.

Game statistics will be distributed after each period in the press box, while final game sheets will be distributed in the Edmonton Oilers dressing room and the ice level media work room 15 minutes after the game.

EDMONTON OILERS MEDIA GUIDELINES 2014-15

With the growing number of media and the expanding need to include video, audio and still photos on the Internet, the Edmonton Oilers have revised their media guidelines to align themselves with the NHL's internet guidelines, as well as those from other clubs – specifically Canadian franchises.

GENERAL GUIDELINES:

- Cell phones, or personal digital assistants (PDAs) with cell phone capabilities, cannot be used for any purpose in the Oilers dressing and workout rooms at any time.
- Photographers will only be granted access to the dressing room post-game or post-practice for specific still image opportunities upon advance specific request from the sports editor (e.g. milestones, new goaltender mask (with player's permission), or player's first goal etc.).
- Stock and general still and video images are not permitted to be shot in the dressing and workout rooms, e.g., photographers/cameramen will not be allowed to stand at the entrance and pan the room, take stock and general images of players/room, or of players undressing out of their equipment.
- Reporters and photographers using a still camera or mini-cam for video purposes must inform the player or coach and inform the Oilers communications staff beforehand.
- All video must adhere to the NHL's broadcast policies. Material may only be used for editorial purposes.
- The Oilers do not allow photographers in their dressing room while on the road.

Guidelines for use of Oilers video- and audio-related content* on Internet platforms:

- No game action (video or audio) may be captured by any means or method.
- Video and audio content recorded at pre- or post-game news conferences, or media availabilities involving the team's coach, players and club executives may not be streamed live without prior written permission from the Oilers.
- Reasonable amounts of audio or video content gathered pursuant to the credential may be posted on the Internet. Content, up to 120 seconds per day, can be posted and archived for up to 72 hours.
- The website page that features audio/video must provide links to NHL.com and the Oilers website using the following wording: "Find out more on www.NHL.com and www.edmontonoilers.com". As well, edmontonoilers.com is permitted to link to such posted material.
- All video and audio content is restricted to use on media websites and may not be "pushed" to other platforms (including but not limited to cell phones).
- Video and audio content cannot be marketed or sold on a subscription basis.
- Video and audio content may be used only in editorial.
- Video and audio content must adhere to the NHL's broadcast policies.
- There is to be no sponsorship or advertising around the content. Footage may appear with banners and contextual ads, but the ads may not be specifically related to Oilers content.
- There are no limitations on "talking head" video or audio of reporters at Oilers facilities that do not include team/interview/press conference content.

* Oilers video- and audio-related content is defined as, but not limited to interviews, news conferences, practices and community-related events. Games fall under the NHL's broadcast policies.

* Content does not extend to the use of editorial text on the Internet or text alerts sent to PDAs or cell phones.

The Edmonton Oilers reserve the right to enforce and amend these guidelines at any time and to restrict and/or deny access, as necessary to ensure fair application and that all interests are preserved.

NHL HOW TO FIGURE

**** NOTE: No individual skater/goaltender statistics apply for the shootout**

Assist An assist is awarded to the player or players (maximum of two) who touched the puck prior to the goal, provided no defender plays or possesses the puck in between.

Game Played A player receives credit for playing in a game if: i) he steps on the ice during time played or; ii) serves any penalty.

Game-Winning Goal After the final score has been determined, the goal which leaves the winning Club one goal ahead of its opponent is the game-winning goal (example: if Team A beats Team B 8-3, the player scoring the fourth goal for Team A receives credit for the game-winning goal).

Goal A goal is awarded to the last player on the scoring Club to touch the puck prior to the puck entering the net.

Goals-Against Average Multiply goals allowed (GA) by 60 and divide by minutes played (MINS).

Goaltender A goaltender receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.

Penalty-Killing Pct. Subtract total number of power-play goals allowed from total number of shorthanded situations to get total number of power-plays killed. Divide the total number of power-plays killed by the total number of shorthanded situations.

Plus-Minus A player receives a "plus" if he is on the ice when his Club scores an even-strength or shorthand goal. He receives a "minus" if he is on the ice for an even-strength or shorthand goal scored by the opposing Club. The difference in these numbers is considered the player's plus-minus statistic.

Power-Play Goal A goal scored by a Club while it has a manpower advantage due to an opponent's penalty. Following are some examples of what is and is not considered a power-play goal:

- if a Club has an advantage on a minor penalty starting at 2:02 of the period and it scores at 4:02, the goal is not a power-play goal.
- if a Club scores on a delayed penalty, the goal is not a power-play goal.
- if a Club has an advantage due to a five-minute major or match penalty, that Club is always credited with having one more advantage than the number of power-play goals it scores during that advantage, because the penalty does not expire. A new advantage begins after each power-play goal. For example, if Team A scores three goals during a major penalty, it is credited with four advantages.
- if a Club is on a power-play for any length of time, it is considered to have had an advantage.
- if a minor penalty is incurred by a Club on a power-play due to a major penalty, a new advantage is given to that Club when its minor penalty expires, provided the opponent's major penalty is still in effect.

Power-Play Percentage Total number of power-play goals divided by total number of power-play opportunities.

Save Percentage Subtract goals allowed (GA) from shots against (SA) to determine saves. Then divide saves by shots-against.

Shooting Percentage Divide the number of goals scored by the number of shots taken.

Shorthand Goal A goal scored by a Club while it is at a manpower disadvantage. The same cases apply for shorthand as for power-play goals, but in the opposite manner.

Shot on Goal If a player shoots the puck with the intention of scoring and if that shot would have gone in the net had the goaltender not stopped it, the shot is recorded as a "shot on goal".

Shutout If two goaltenders combine for a shutout, neither receives credit for the shutout. Instead it is recorded as a Club shutout.

Tenths of a Second If a penalty or goal occurs in the last minute, the time is rounded off to the previous second (ex: if a penalty is called with 12.4 seconds left in a period, the time is indicated as 19:47 and not 19:48.)

Coaches Record A coach receives a "W" for a win in regulation, overtime or shootout; an "L" for a loss in regulation; or an "OT" for a loss in overtime or shootout.
